

Fantasy Textile was founded in 1985 in Shaoxing, China. Over last decades, it has grown from a family business into a sound, modern large textile group covering knitting, dyeing, printing, exports. Today Fantasy Textile is one of leading knitting fabric suppliers in China, manufacturing knitting fabrics for active wear and women's casual and fashion wear. Specializing in the manufacture of high quality, weft-knitted and warp-knitted dyed and printed elastic fabrics, it is a major supplier to apparel manufacturers and international chain retailers amongst its largest are ZARA, Costco, C&A and Mango.

Our products lines are divided into basic and fancy fabrics. Basic fabrics cover classic items such as single jersey, double knits, Ponte de roma, scuba knits, suede knits, french terry, knitted velour etc. To meet ever changing needs of fast fashion industry we also produce fancy items such as foil & coating, low gauge fancy yarn knits, jacquard knits, bonding etc.

Fantasy Textile also has printing department. Focusing on creative solutions, a wide variety of designs and endless fashion proposals, it interprets the tastes and trends of diverse consumer segments and the evolving needs of many different customers all over the world.

Unrelenting search for new materials, new mixtures of yarns and special knitting techniques with a strong focus on finishing techniques, combined with creativity, flexibility and an agile approach are the strengths of these collections.

Our group-wide initiatives to achieve manufacturing and supply chain excellence, close collaboration with our suppliers, and sales offices at the customer's doorstep all guarantee fast and flexible solutions from the source to our customers.

Currently, Our in-house facility and partner factories enables a capacity to knit, dye, print and finish up to 14 million meters a month.
