公司简介 Company Profile

01

Changzhou Shuangzhou Textile Co., Ltd is in Changzhou City, Jiangsu Province, a historical and cultural city by the Grand Canal. The company is close to Shanghai-Nanjing expressway. It takes 50 minutes to Changzhou Benniu International Airport and 2 hours' to drive to airports in Shanghai. Originally founded in the 1990s, Changzhou Shuangzhou Textile Co., Ltd was officially established in 2003. With over 30 years' history of manufacturing textile fabrics, we are a professional manufacturer for denim fabrics. Changzhou Shuangzhou Textile Co., Ltd develops and produces a series of denim fabrics. The major characteristic products include thickened and highly elastic satin denim fabric, cotton denim fabric, silk denim fabric, slub stretch denim fabric, red-edge denim fabric, cotton stretch denim fabric and TR stretch denim fabric with large widths (170cm to 180cm).

Changzhou Shuangzhou Textile Co., Ltd covers an area of more than 14,000 square meters and owns hundreds of Belgian G T-MAX weaving machines with a maximum width of 250CM and other advanced equipment. The annual production value is up to 20 million meters. Our products are globally exported to South America, North America, Europe and the Middle East. Changzhou Shuangzhou Textile Co., Ltd focuses every effort on developing new products. The reliable product quality and innovative service is widely recognized and praised by customers. We have established long-term business relations with lots of customers from different states and regions, and we attend shows in different countries every year. We sincerely welcome customers and friends at home and abroad to visit our company for win-win cooperation!
