Ravali Spinners Pvt Ltd (RSPL) was incorporated in the year 2005 by Shri Vanka Ravindranath with a vision of erecting a professional organization meant to cater to the varied needs of the textiles sector. We are manufacturers of cotton yarn. Our spinning mill has been leading new and revolutionary change in the textiles industry, by offering world class yarns at competitive prices. We are located at the Khandavalli village, Peravali Mandal, in the West Godavari district of Andhra Pradesh. The mill commenced its spinning operations with a modest 16,800 spindleage having turnover of 21 cores. and has now grown into a full-fledged organization with a spindleage capacity of 135120 constituting turnover of 450crores. The mill has a total Production capacity of 2000-2100 tons per month.

The mill has India's first, Toyota Rx300 ring frame machine installed in the factory premises. The mill has also acquired two companies, namely, SVR Spinning Mills Pvt. Ltd.. in 2014; and Kakatiya Textiles Ltd., in 2015, in the process of its expansion. All the plants are well connected by roads, railways, and sea ports. The mill has received the BCI Cotton, GOTS and OekoTex Certifications.

With regard to sales. RSPL enjoys a dominant market share in the domestic and export markets. It enjoys the status of a "Two Star Export House", recognized by the Government of India. Our domestic market presence is in Tamilnadu, Karnataka, Maharashtra, Gujarat, Rajasthan, Punjab, Uttar Pradesh, National Capital Region (NCR), and West Bengal, Andhra Pradesh. In the export markets, the products are exported to various countries, including Bangladesh, Taiwan, Italy, Belgium, Portugal, Pakistan, China, Egypt, Vietnam, South Korea, Brazil, Guatemala, Chile and Thailand products are offered with carton as well as pallet packing.
