

# ALAN CHEMICAL INDUSTRIES LTD

Alan Chemical Industries LTD is a professional manufacturer and exporter of a variety of Dyestuffs, Pigments, and Auxiliaries most commonly used in Textiles & Clothing as well Dyes and some Pigments for Paper and Plastic products.

We are committed to providing our customers with quality products at competitive prices. Some of our products have registered SGS, GOTS, OEK-TEX, and ZDHC MRSL conformance LEVEL 3 standard certifications. This is to ensure the supply of these products meets enhanced environmental conformance, with green and ECO approval.

With more than 12 years of experience, our customers extend to South Asia, Europe, and the American market. In 2016, our company opened a new facility in Ho Chi Minh City in Vietnam in order to better serve South Asian customers. Alan Chemical Industries LTD has a strong, brilliant, and professional sales team in China, Vietnam, and Bangladesh. We have been exporting our products to Vietnam, Turkey, Indonesia, Pakistan, India, Brazil, Peru, Georgia, Morocco, Japan, and Bangladesh. Our goal is to provide you with great quality items you can rely on. Due to this, through years of development, our company has now established a well-equipped quality control system, we also have some specialized equipment such as dyeing, boarding, and pad-dyeing machines. In addition, we have GC, HPLC, and UV apparatus to ensure every batch of cargo quality is highly comparable to one another.

You will find Alan Chemical Industries will be the best choice after all.
