| Melange Yarns (Combed & Carded) | Knitting or Weaving | Single Plied: Ne 20/1-Ne 60/1 |

FABRICS

We have specialized in offering superior quality grey knitted & woven fabrics. Whole range of grey fabric knit and weave include RIB 1x1 Single Jersey, Interlock, Sheeting, canvas, herringbones weave etc. These fabrics satisfy the needs of garments and textile industries. Available at highly competent prices, these fabrics can be customized as per the requirement.

KNITTED FABRICS

Being armed with ample expertise and requisite knowhow, we have expanded our area of operations to knitting as well. At present we are manufacturing knitted fabrics such as Interlock, Rib, Single Jersey, Pique in various Dia and Guages. We can supply the fabric with Jumbo rolls of weight up to 200 Kgs and all machines are having Lycra Attachments.

WOVEN FABRICS

The Variety of fabric weave includes, Sheeting, Canvas, Satin, Drill, Twill, Gabardine, Herringbone and Oxford Weave. Our range of grey fabrics is available in width ranging from 38" to 132". Our production is on basic shuttle looms. High speed automatic looms like air jet or water jet, Sulzer or rapier looms. We can also weave patterns and designs in the cloth using specialized equipment's: these are also called as Dobby or Jacquard.
